Intro:

G G/F# Em7
G Cadd9 D/F# (repeat)

Verse 1:

G G/F# Em7
Holly was an island girl
 G Cadd9 D/F#
She lived in Largo James' world
G G/F# Em7 G Cadd9 D/F#
Spent her nights just tending bar wondering how she got this far
G G/F# Em7
James could drink the night away
G Bm7 Am7
Holly'd still be underpaid
G G/F# Em7 G Cadd9 D/F#
Glancing past the mirror she smiled and for awhile escaped with me

Chorus:

She said:

G D/F# Cadd9
Life's so hard when you're living it up in someone's vacation
G G/F# Fadd6(add9)
Take me back to the sea
G D/F# Cadd9
There I'll find that elusive kind of peace of mind
 G G/F# Fadd6(add9)
That I know waits there for me

Verse 2:

Holly liked the Rolling Stones
She plays them when it's time to close
She can't always get what she wants but knows that time is on her side
She don't mind that mess we made, only living in this masquerade
Glancing past the mirror she cried and for awhile escaped with me

Chorus

Bridge:

Am Fmaj7 F+ Fmaj7
Well Holly knows there will never be an answer to everything she wishes to explain
Am Fmaj7 C D* Em D/F#
So Holly goes to that island in the ocean where she can find a place to fly away

Chorus x 2 (Cadd9 on "...I know waits there for me" turnaround into repeat of chorus)

Outro:

G D/F# G
Holly was an island girl
