Before you pulled me out of darkness  
Dmaj9(add6) Esus E  
And brought me into your light

What was it like when I wouldn't listen?

I think I was running from growing older into the man I am today  
Was I a spectacle, really something to see?  
It was so wonderful when you made a miracle out of me

Chorus

Verse 3:

What is it like to watch me find my way in the midst of yours?  
I'm probably looking like I need direction  
I'm probably looking like a fool  
Am I a spectacle, really something to see?  
God, it's so wonderful when you make a miracle out of me

Chorus
